Sorority Lighting Upgrades

Green It Now (GRIN)
A Local Project of ESW-NU
Sorority Lighting Upgrades

**Background:** GRIN completed energy audits of four sorority buildings in the Spring of 2010, outlining energy efficiency measures that could be implemented in each.

**Goal:** Implement the lighting upgrades from GRIN’s reports by replacing existing incandescent units with CFL and LED equivalents.

**Partners:** ISEN, ESW, NSF, sorority green chairs, and sorority housing corporations
